Term 3 Week 7

**From the Principal**

First some wonderful news - we were successful in gaining a grant from the Veolia Trust for the upgrade of our Kitchen. We received just under $25,000 which will go a long way to have our kitchen safer and easier to use. We are hoping the work will be able to be carried out by the beginning of next term. A huge thank you to Cath Ward for her application writing and effort in obtaining this grant for our school.

Our Primary students have been invited to perform in the Crookwell High School MADD Night on Thursday night this week. This night is a wonderful display of the creative talents in our community.

We have also been successful in receiving a Sporting Schools Grant so next term all students will be able to have free coaching in netball as well as the school being able to purchase some fabulous new sports equipment.

Please remember to send in notes when your child has been away. If you are unable to send in a note please phone the school office and just let them know that your child will be away and the reason.
